

CANTLEY STAITHE PROJECT

FINAL REPORT

Exerpt from “CANTLEY PARISH COUNCIL ANNUAL REPORT 2010/2011” from Robert Beadle May 2010.

“2010/2011 has been a very eventful year for Cantley Parish Council.

The highlight of the year for me was the opening of Cantley Staithe in September 2010. The Parish Council are now the Custodian Trustee of the Staithe and the Staithe is now run by the Cantley Staithe Charitable Association. Numerous pictures and video can be seen on the cantley.org website.

Work on the Staithe has only just finished and the final cost was £310,116.82 of which the Parish Council contributed £2,221.42. Thank you to everyone who has helped in any way.”

Please see the following page that gives a breakdown of all the income and expenditure for the whole Project.

Again a big thank you to anyone who has helped in any way in the implementation of this Project.

Robert Beadle Chairman Cantley Parish Council
